TECHNOLOGY

FORGEDFOAM

The perfect combination of softness and energy return, FORGEDFoam™ will cushion your foot with every step, while providing substantial amount of energy return to propel you through your swing

FORGEDDX

FORGEDdx™ midsoles provide lightweight cushioning, designed to keep you comfortable all day long

COUNTER LÖK

An external heel counter that increases lateral stability during the load bearing phases of the golf swing

INSOLES: PLUSfoam™ / PU insoles

Callaway insoles provide ultra soft and responsive cushioning and comfort without sacrificing durability or stability

FUSION-LITE™ TPU OUTSOLE

A thermoplastic polyurethane (TPU) material meant to provide optimal support and structure, while allowing great underfoot feel and traction

Opti-Vent™ materials allow heat to move away from your feet, providing optimum breathability and heat management

Opti-dri™ waterproofing guarantee's the shoe will keep your feet dry for one or two years (depending on specific model)
